ABHIRAJ SAGAR

Unity Game Developer • Bareilly, UP • abhirajsagar99@gmail.com • abhirajsagar.vercel.app

Unity Game Developer with 1+ year of experience shipping hybrid-casual mobile games on Google Play. Skilled in C#, gameplay systems, in-engine tooling, and SDK integration. Built custom editor tools that cut level design time by 60% and asset preparation by 40%. Comfortable owning features end-to-end — from prototype to production — in fast-paced, cross-functional teams.

EXPERIENCE

Unity Game Developer (Internship) - **Frolic Frog Studios** *Feb 2025 – Present*

- Shipped 3+ hybrid-casual mobile games end-to-end, owning gameplay, UI, and the full production pipeline.
- Built a custom Unity level editor that reduced level design time by 60%.
- Engineered in-engine asset processing tools, cutting asset preparation time by 40%.
- Prototyped 5+ gameplay concepts and produced game creatives and video ads for marketing.

Unity Game Developer (Internship) – **Fitcraft.in** *Apr 2024 – Nov 2024*

- Sole developer on Town Contracts — a published hybrid-casual math puzzle game on Google Play.
- Designed 80+ puzzle levels; implemented full gameplay flow, UI/UX, and visual systems.
- Integrated ads (Unity Ads) and IAP; optimized performance for low-end Android devices.
